THE TALE OF MORANI'S

Once upon a time, in the heart of Ol Pejeta Conservancy, a unique culinary gem was born; a tribute to a legend. Named in memory of Morani, the beloved rhino ambassador whose legacy continues to inspire, Morani's Restaurant has grown to become one of Kenya's top 20 amazing places to eat.

Tucked conveniently at the Information Centre, Morani's offers a welcoming pause amidst the wild, a perfect halfway stop during your safari adventures. Here, every bite tells a story. The famous Morani burger steals the show: a masterpiece of grass-fed beef, rich melted cheese, and crispy bacon, paired with golden homemade fries. For those seeking something lighter, a crisp, healthy salad or a wrap provides the perfect fuel for your next expedition. Even the little adventurers have something special waiting for them!

But the tale doesn't end with food. Morani's has a secret—a coffee menu so extensive it feels like a discovery in itself. Where else can you savour a hazelnut cappuccino while surrounded by the awe-inspiring beauty of a black rhino sanctuary?

And just when you think the experience is complete, step into our shop. Shelves lined with handcrafted curios and souvenirs tell stories of local artistry, while Ol Pejeta merchandise offers a piece of this magical place to take home.

Morani's doesn't just cater to wanderers; it celebrates life's moments. Whether it's a birthday under the vast African sky, a conference in the wild, or a team-building retreat, our space accommodates groups of up to 60. For the roving souls, we provide take-away sandwiches, frozen meals for campers, and sundowner packs that turn sunsets into unforgettable memories.

Each day at Morani's is a chapter of adventure, flavour, and connection. We're open daily from 8:00 am to 4:30 pm.
