IMMERSIVE CONSERVATION EXPERIENCE (ICE PROGRAM)

‘Kazi’ is Swahili for **work.** This is a week-long adventuretrip to Ol Pejeta Conservancy, packed with immersive behind-the-scenes experiences. Enrolling in the One Week Kazi grants participants new conservation bases where they gain invaluable experience and start their journeys as ambassadors of hope for endangered species. This program offers you a transformative journey that transcends borders, inviting you to be a champion of change for wildlife and the ecosystem.

USD 1,550 Per Person

ONE WEEK KAZI

2026 - 2027 DATES

January
9th - 16th | 23rd - 30th

February
6th - 13th | 27th Feb - 6th March

March
20th -27th

April/May
24th Apr - 1st May

June
5th - 12th

July
3rd - 10th | 18th -25th

September
11th - 18th

October
2nd - 9th

November
30th Oct - 6th Nov | 20th - 27th

Day 1
Arrival and check-in at The Stables
Ol Pejeta Conservancy overview, safety orientation and evening game drive

Day 2
Early morning game drive including a visit to the Sweetwaters Chimpanzee Sanctuary, Ol Pejeta Nature Trail, The Rhino Cemetery and a visit to Morani Information Centre. Later in the afternoon, you will go on a bushwalk

Day 3
Work with the dogs and K9 anti-poaching unit which will involve you cleaning, feeding and grooming the dogs. You will also train with our tracker dogs as you try to escape their pursuit across the conservancy

Day 4
Field work with the Ecological Monitoring Unit to learn about what it takes to manage a conservation area tracking and identifying predators and assisting with vegetation monitoring

Day 5
Start off the day working with the northern white rhinos’ caregivers and later on track and monitor the rhinos in the field

Day 6
Visit the Mt. Kenya Animal Orphanage for the day
Later in the day visit Nanyuki town including The Equator and Cedar Mall

Day 7
Spend half day walking with herders, grazing cattle on the plains as you learn about how Ol Pejeta integrates cattle with wildlife, and uses livestock as a means to manage the rangelands effectively.
Later on, work with the Ecological Monitoring department in the office

Day 8
Early morning game drive
Departure at 10 am after breakfast
